## Who We Are

Excella is an Agile technology firm and transformative partner to Washington, DC's leading organizations. Since 2002, federal agencies, prominent brands and trailblazing nonprofits have turned to Excella to transform bold ideas into elegant technology solutions. We believe technology exists to solve challenges and evolve thinking – we help organizations harness this power to make real progress.

## Our Approach

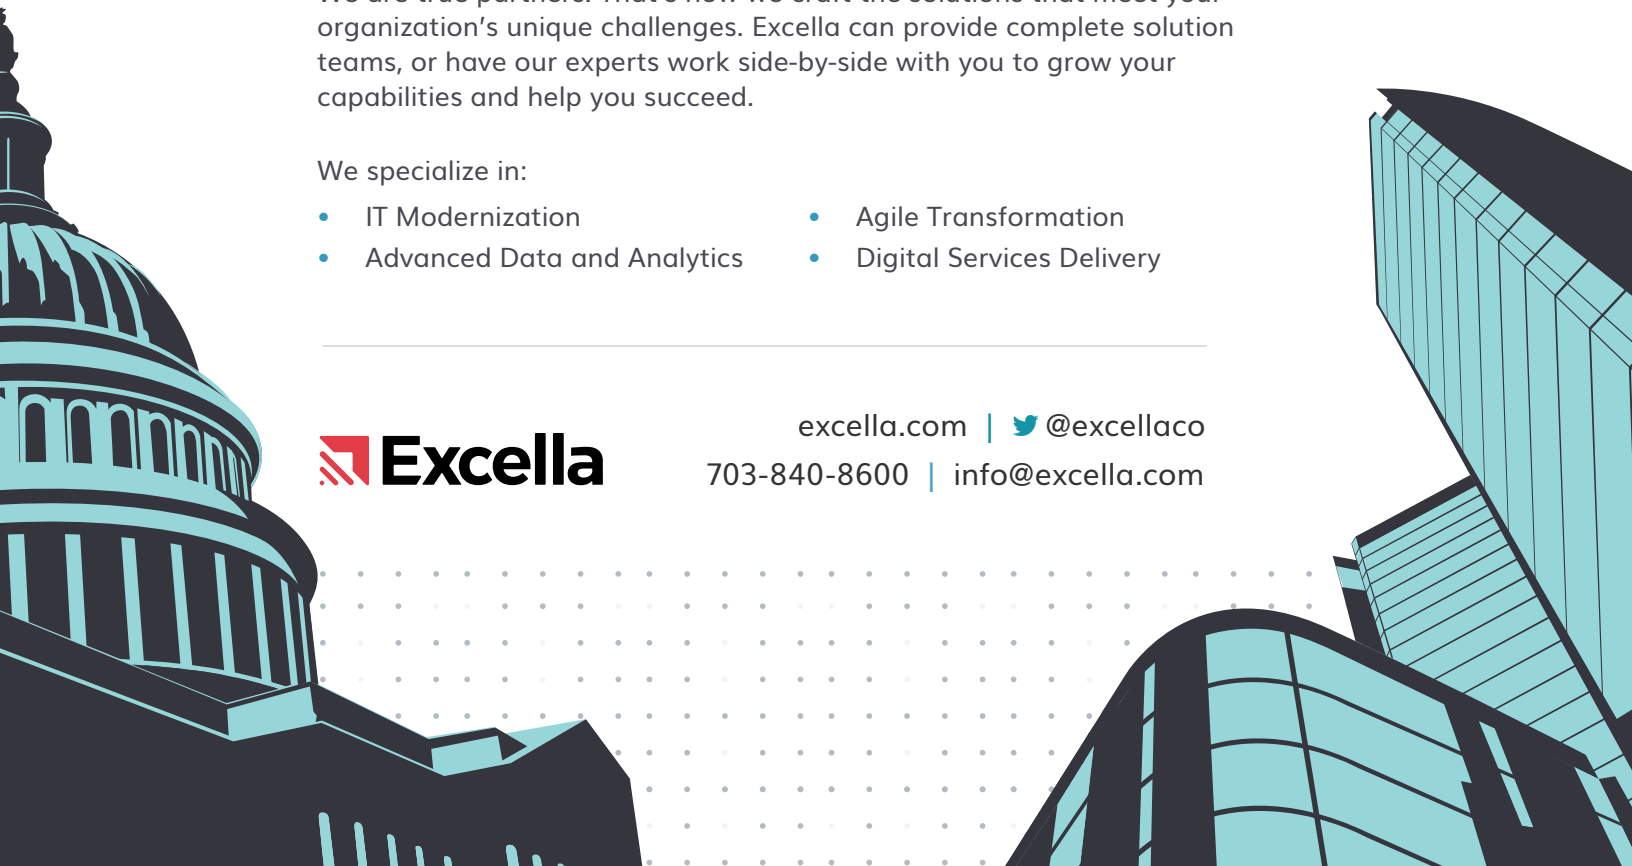

We are true partners. That's how we craft the solutions that meet your organization's unique challenges. Excella can provide complete solution teams, or have our experts work side-by-side with you to grow your capabilities and help you succeed.

We specialize in:

- IT Modernization
- Agile Transformation
- Advanced Data and Analytics
- Digital Services Delivery
